# The Whiskey Experience For Those Who Seek The Truly Rare

Connemara 12 Year Old is our oldest and rarest whiskey to date...a one of a kind experience...

Due to its limited bottling, a finite number of cases will be made available on a worldwide basis each year and offered at an ultra-premium price point.

The distinct peaty flavor and aroma are brought to full fruition during 12 years of aging in single used bourbon casks.

- the peated flavor of Connemara is truly unique for an Irish whiskey today. Yet it brings back a traditional Irish custom of drying the malted barley over peat fires

"For peat whiskey lovers this is more than a must. Brilliant."
