Cask Strength

Experience True Whiskey
in its Natural State

Experience True Whiskey in its Natural State

Connemara Cask Strength is the ultimate whiskey aficionado experience...the chance to sample an outstanding single malt whiskey right out of the barrel.

This product is undiluted and non chill filtered, so tasting it is the closest you can come to being a master distiller.

The whiskey is bottled at approximately 120 proof. However, since the formula is not standardized by diluting with water, each batch is slightly different.

Like all Connemara whiskey, it is made with the finest ingredients, according to Irish traditions, double distilled, and aged in a 200 year old warehouse.

NOSE	A strong and concentrated aroma of peat emerges, amplifying in intensity when it reaches the nostrils.
TASTE	A very strong, aggressive start with an enormous peat surge in the middle. Then, fireworks of aromas explode in your mouth (fruits, spices, pepper, chocolate...) uniting with the peat to give a very complex taste.
FINISH	Astonishingly long finish with peat clinging to every crevice in the mouth while remaining sweet and glorious.

Critical Acclaim

2005

Silver
Best in Class IWSR

2004

Silver Medal SFWSC
Gold Medal IWSC

The product is supported with brand-building programming for on- and off-premise.
