**THAT'S DISTINCTLY IRISH**

# A ONE-OF-A-KIND WHISKEY OPPORTUNITY

Connemara is the only Peated Single Malt Irish Whiskey.

Made from 100% malted barley this luxury brand is then double distilled in a pot still and aged in bourbon barrels for at least 5 years.

Then we add some peated malted barley to give it that original smoky flavour.

- Revives a tradition invented in Ireland of drying malted barley over open peat fires
- Offers the smoothness of Irish, combined with the peatiness generally associated with a mild Islay Single Malt
- Aged in single use bourbon barrels in a 200 year old warehouse
- Recipient of numerous prestigious awards

NOSE	Full and fruity with citrus notes.
TASTE	Honey notes come through. Oranges and lemons can be picked up in the malt.
FINISH	Crisp and dry. Ends with soft fruits.

Supported with brand-building programming for on- and off-premise.
