One in a Hundred

This Irish Single Malt was created in honor of a horse that ran to victory despite 100 to 1 odds. Taste why it has earned a streak of equally impressive victories with the world's most discerning judges.

Expand the Borders of Your Single Malt Category

Introducing a great single malt whiskey, distilled and perfected in Ireland.

Tyrconnell is created from 100% malted barley, double distilled in a pot still and aged for at least 3 years in bourbon barrels.

The result is a single malt that is smooth, balanced, and easy to drink. It is an excellent flavor to help consumers move from blends to malts, and to help you expand the profitable growth categories of single malts and Irish whiskies.

NOSE	Full and fruity with a citrus spiciness taste.
TASTE	Well structured with honey notes. A tang of oranges and lemons. A strong malt presence that balances well with the oily sweetness.
FINISH	A long finish. A dominant malt end without the soft fruits and honey which helped make up the middle.

Tyrconnell has a heritage dating back to 1762 and has recently won over eleven awards in International Wine and Spirit Competitions.

Tyrconnell is supported with brand-building programming for on and off-premise.
